ZUCCOLI
The Village Life

What would you like to see at Zuccoli Plaza?

After opening mid last year, Zuccoli Plaza has quickly become a vibrant community hub of Zuccoli Village.

With an IGA, F45 gym, TerryWhite Chemmart, newsagency, Cellarbrations bottle shop, Arafura Medical Clinic, and Rainmaker Cafe, Zuccoli Plaza has everything you need right at your doorstep.

With plenty of parking available, Zuccoli Plaza provides the perfect spot to catch up with friends at the café, squeeze in a work out at the gym or pick up any necessities for the day.

There are a few tenancies remaining for lease within the plaza, and we are keen to hear from you on what shops or services you would like to see fill these spots.
